

LEGACY FORWARD
FOR THE NEXT GENERATION

Legacy Forward: For the Next Generation

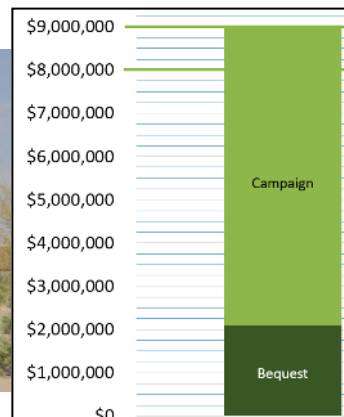

Building what lasts. For today. For tomorrow. For eternity.

Where We've Been

In 2022, Desert Foothills launched the *Growing Legacy for the Gospel* campaign. Our consultant projected we could raise \$3M. Instead, God's people responded with extraordinary generosity:

\$8M pledged and \$9M received. After years of city delays with cost increases, the congregation decided to build only the new Worship Center and do all of the site work, totaling \$11M (approving a potential \$2M mortgage).

At last, in **August 2025**, permits were secured and construction began. Now momentum is building again and the time is right to finish strong.

Where We're Going

Through *Legacy Forward: For the Next Generation*, we are seeking **\$4.5 million** to complete both sanctuaries debt-free:

- **\$2M** – Renovate Sanctuary (plus **new** choir practice room, lobby connecting venues, and offices)
- **\$2.5M** – Close the current construction gap and retire our existing mortgage

City Permits are in hand for this additional construction. If we wait, they expire and DFCLC must resubmit to the City and costs will rise. Acting now ensures we move forward faithfully and efficiently.

Building Here — and There, Again!

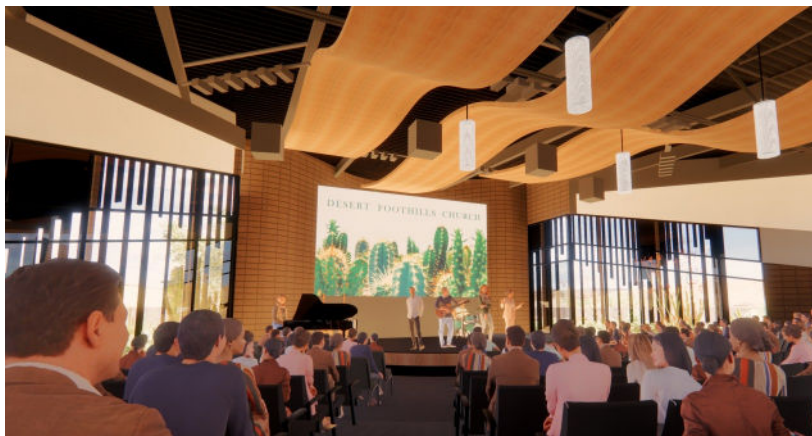

In our last campaign, God enabled us to raise **\$9 million** for campus expansion while **also building** a Lutheran school in Cambodia. We're doing it again! As part of Legacy Forward, our Cambodia campus is expanding, **adding a third classroom building** to meet the waiting list—already fully funded by a generous member.

Your Legacy Forward gift focuses on our Scottsdale campus while **multiplying** impact across the globe. Praise God!

Why It Matters

- New worship center = greater capacity to connect people to Jesus
- Renovated Sanctuary and narthex unite both sanctuaries and expand ministry tools
- Community venue for speakers and concerts like Arizona Music Fest
- Outdoor sports courts and gathering spaces that serve our neighbors
- A tangible witness of God's faithfulness — for today and for the next generation

Your Role

We are inviting our key supporters to gather at a **Lead Donor Luncheon on Sunday, November 9, 2025 at 12:30 PM at Patricia's Pizza.**

- Share in the vision
- Hear how your leadership gift will make an eternal impact
- Prayerfully consider your pledge to help set the pace for the entire campaign

Pledges will be for **3 years (Dec. 2025–Nov. 2028).**
